## HAROLD J. DICKINSON

In a community such as Richmond, where rapid growth has filled the town with new residents, a handful of "oldtimers" have the important duty of holding the town true to its heritage. Until his death this year, Harold Dickinson, was one of our patriarchs. Indeed, to many, his name was synonymous with Richmond. As one of our oldest residents, he was first an inovator and instigator of change, then later the mainstay and support for many community institutions, and finally the custodian of our heritage.

As an inovator and instigator, he took over management of the local telephone exchange in 1919, and laid the groundwork which led to Richmond having the first dial system in New Hampshire. After three attempts, he was able to sign up enough subscribers to have electricity brought to town. He was one of the original incorporators of the Cheshire County YMCA, served as a director for over sixty years, and was instrumental in the establishment of Camp Takodah. He helped locate the original water source for the Fish Hatchery, was foreman of the crew which built the hatchery, and was Superintendent of the hatchery until 1948. He was chairman of the town committee on Civilian Defense and Public Safety, which in 1942 purchased the first fire truck and began the organization of the Richmond Fire Department. Over a sixty year period, he held almost every Town Office, from the lowest to the highest.

During the years of Richmond's declining population, Harold was a backbone of support for the local Grange and the local church. Indeed, it is debateable whether there would still be a local church were it not for his efforts. He wired the building for electricity, turned on the heat each Saturday night, rang the bell each Sunday morning, greeted newcomers, and was sometimes the only congregation.

As the town began to grow again, and filled with new residents, Harold became the custodian of our heritage. He helped organize and was President of the Richmond Historical Society. His historical novel, *Gaskill's Haven*, will pass on to other generations the flavor of life in Richmond in times past. He had as frequent visitors the decendants of former townfolk, seeking to re-establish their Richmond heritage. His prodigious memory was a resource for every fact, from what house a family used to live in to who was buried in what grave, and in which isolated cemetery.

He gave generously of his time to Richmond in both public and private life. A list of his public offices is located inside the back cover. He is gone from us, but his memory will be carried on to another generation by the children of the Four Corners, whose love he accepted, shared and returned. His accomplishments will last even longer. The whole town is the poorer because he will no longer be among us.

## **AUDITOR'S REPORT**

Richmond, NH 03470  
February 17, 1983

The Board of Selectmen  
Town of Richmond  
Richmond, NH 03470

Gentlemen:

I herewith submit the report of the audit and examination of Town of Richmond accounts and records for the fiscal year ended December 31, 1982. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent records.

### **Scope of Audit**

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustee of Trust Funds were carefully verified and checked.

### **Financial Statements**

1. Comparative Balance Sheets show that liabilities exceed assets by the sum of \$4,539.11 for the year ended December 31, 1982. There was a net deficit of \$25,635.77 in 1981.
2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations amounting to \$14,290.04 in 1982 brought about by a large balance in rebates and the Mill & Whipple Hill bridges were repaired without borrowing. In 1981, there was \$4,952.49 in net overdrafts.
3. The Statement of Estimated and Actual Revenues shows a net revenue surplus of \$77.97; in 1981 the surplus amounted to \$4,378.73.
4. The Budget Summary indicates a net Budget surplus of \$14,368.01 for 1982.
5. Accounts of the Town Treasurer, Town Clerk, Tax Collector, Trustee of Trust Funds, Revenue Sharing and the Fire Department Equipment Fund have been summarized and tabulated.
6. The special Revenue Sharing Report which is required by the Department of Revenue Administration of the State of New Hampshire must be published in the Town Report.

### **Audit Procedures**

The accounts and records of Town Officials charged with the receipts, disbursements and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All Town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

## **Certification of Audit**

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1982. In my opinion, the attached balance sheets and other statements of sources of revenue and expenditures truly represent the financial position of the Town of Richmond for this period.

### **Thanks**

My thanks are gratefully extended to the Town Clerk and Town Treasurer for their helpful cooperation during the examination of their books and records. I sincerely appreciate their patience while the audit was in process.

Very truly yours,  
*Peter T. Whittemore*  
Town Auditor

## TOWN OF RICHMOND SELECTMEN'S REPORT

We have been kept busy staying on top of all the changes being instituted at state and county level. There have been many trips to seminars and meetings, most of which were very informative. It seems as though learning is truly a never-ending process.

This past year has been a very eventful one for our town. As it was voted on and passed at our last town meeting, we were re-evaluated. This was something that was long past due; we needed to bring every parcel of real estate in our town up to present market value. We realize we couldn't please everyone, but on the whole we feel that the job was done throughly and on an impartial basis.

As you know, the "lion's share" of our taxes goes to pay school and county taxes, all of which are preset by the State. The balance is spent by our Town Committees and Departments.

After many years of operation, 1982 saw the closing of our Richmond Fish Hatchery. Not only was it a tourist attraction, but it also guaranteed our local sportsmen a continuing supply of trout. It will be missed.

On Feb. 18th, our town participated in a mock nuclear incident at the Vermont Yankee nuclear plant in Vernon. All personnel involved performed their duties well. This drill enabled us to discover our strengths and weaknesses.

The new bridge on Mill Road was constructed at just slightly over the estimated cost. By waiting until 1982 to borrow, the Town actually saved money.

Up to now, winter has treated us well and we hope the remainder of the season follows suit.

With the help of many individuals and committees our job was made a little easier--our "thanks" to one and all. We always need volunteers willing to become active in town affairs. We would appreciate hearing from anyone interested in serving on our boards or committees.

Respectfully submitted,

*Frank P. D'Orio, Chairman*

*Dana A. Taylor*

*Stan Bartram*

## **REPORT OF THE BEACH COMMITTEE**

In the past year our budget was spent in an effort to make the Richmond Town Beach a place where one could relax, and enjoy a cooking experience.

Rope, and line buoys were purchased and installed in an effort to make swimming safe. Our police force did their best to make sure the area was not messed up during the hours that the beach was closed. Sand was purchased and delivered in an effort to make the play area attractive. New cooking grills were procured, but do to their late delivery date the installation of them was not possible in 1982. This item will be our first priority in 1983.

One of our problems is keeping this area clean during the period from closing in the fall till opening for the summer.

The cooperation of all would be appreciated in this area.

Respectfully submitted,  
*Jane Jillson*  
Chairperson

## **REPORT OF THE CEMETERY COMMITTEE**

In the past years a percentage of the budget has been spent on reclaiming over-grown areas.

Now that this project is well on its way towards completion we will concentrate more on the filling of sunken sections and the general maintenance of both cemeteries.

Respectfully submitted,  
*Jane Jillson*  
Chairperson

## TOWN OF RICHMOND REPORT OF THE LIBRARIAN

The past year has been a busy one for the library. As in the past, book sales were held on July 4th weekend and during Richmond Fair Day along with other various activities. The Summer's Knights Reading Program for children kept everyone busy reading during the summer. Although a trip was scheduled for participants, so many were unable to attend that special gifts were sent to the children who completed the program. A Walt Disney Film Program for children and adults was held in the summer, and in October a Mask Making Workshop with Maggie Konet was presented. All who attended the workshop had a terrific time. (and that includes the adults!) Many thanks to Maggie for her time and talent, and to Mary Carnie for her assistance. All the children's creations were marvelous.

The library has become very busy as a meeting place for many town organizations, and more are welcomed. Also, remember the library has records and tapes, a phonograph with earphones for listening pleasure in the library, and cassette players for loan.

*Special news:* Thanks to Edith Atkins and the Conant Library in Winchester the Richmond Library now has a copy machine. Everyone is welcome to make use of this latest addition, no more having to run to Keene every time!

More programs are in the works for this coming year and I welcome any suggestions and comments to help serve you better.

Thanks so much for special volunteers Elaine Hickey, Lisa Bigda and the Friends. To Margy Wyman, thank you for all your support, help and guidance - don't be a stranger.

## **TOWN OF RICHMOND**

I, the undersigned, hereby certify that I have examined the accounts of the Trustees of the Richmond Public Library for the fiscal year ending December 31, 1982. Records of the checking account covering the Town Appropriation were found to be correct. The Library Trust account shows a difference of \$38.75.

*Margaret J. Bartram, Auditor*

### **REPORT OF THE LIBRARY TRUSTEES - 1982**

Due to cutbacks at the state level, some adjustments have had to be made in acquiring books for the state library. Instead of the Bookmobile arriving on a regular basis, Suzanne must now make one or two trips to Concord in order to maintain a collection of state loaned books.

To assist residents in learning how the town functions, a Directory of Richmond has been printed and is available, free, at the library. Also available is the, just released, Richmond Master Plan which represents the results of a comprehensive planning program completed by the Richmond Planning Board and the citizens advisory committee with the assistance of the Southwest Region Planning Commission.

The usual summer and winter maintenance to the grounds and building has been performed along with some minor repairs to the septic system and water supply line.

Although utility rates have increased, oil prices have stabilized and our use of oil has again decreased slightly. Therefore we have been able to hold the line on our budget request for next year.

A number of children's programs were held this year; along with many monthly meetings by various town organizations. In the fall, a course for Radiological Monitors was held, in cooperation with State and Local Civil Defense Organizations.

On behalf of the town, we again extend our thanks to the many generous people who have made gifts to the library and the archives. As usual, we are deeply appreciative of the work done by the Friends of the Library.

Respectfully submitted,  
For the Board of Trustees

**1982 ANNUAL REPORT**

Our 1982 Police Department has taken on a variety of new figures, from statistics to personnel. Your Police Force now has six active part time Officers and a new Chief. We had the task of meeting a new State Law requiring the certification of all part time Officers for the power of arrest and the use of weapons in the performance of their duties. We are pleased to announce five of our six Officers have successfully completed thirty-two hours of classroom training and nine written exams. Officer Robert VanBrocklin elected to remain uncertified, but will remain on the Department as a "Special Officer", as provided for in RSA 105A:4. We would like to take this opportunity to extend our gratitude to Officer VanBrocklin, for the long and dedicated service he has given this Department and the Community. Richmond can be thankful we have such dedicated men as Officer VanBrocklin whom we all hope will continue to serve us for years to come.

During the past year we have all worked hard at maintaining accurate records and Police reports, increased patrols, quicker response time through updated communications systems, a weekend duty roster to insure at least two Officers will be available in Town from midnight Fridays through midnight Sundays, to name a few. Officers are only paid while out on duty and for the mileage put on their vehicles in the performance of their duties. The time they give making themselves available is donated through their dedication.

On the top of the list of Department Policy is to preserve peace by courteous, impartial, professional Police action. But a Police Department, in all its efficiency and professionalism can not preserve peace at its top level without the support and communication with you, the citizens of Richmond. Thank you for your cooperation in the past, and your continued support in the future.

There is a Police phone located in my home, reserved exclusively for Police business. Should there be a need for help, or to report any suspicious activities, call 239-6007, at any hour. Should there be no answer, in an emergency you can call Mutual Aid in Keene, 352-1100. They will know the fastest way to get you help for any emergency.

As a result of all our efforts, the following summary was compiled. This summary lists just some of the basic activities throughout 1982. There were many other activities that are too numerous to list. Such as, response to fire and rescue calls, lost items, assisting motorist, traffic duty, etc.

Respectfully submitted,

*Chief, Richard E. Bigda*

## REPORT OF THE FIRE DEPARTMENT

During the year 1982 we have been very fortunate in fire responses: 2 brush fires; 1 grass fire; 3 station covers - Swanzey; 2 station covers - Winchester; 1 fire in Winchester; report to several automobile accidents; 1 gas washdown; and 1 skidder fire on Taylor Hill. During the past year we purchased four new Scott air packs, one 3000-watt generator and a smoke ejector.

Due to the lack of help and water level, we did not get much accomplished. We did get two engines repaired and hope to get others done this summer. We are going to have to think about doing something about a tanker. The one we have is starting to rust very badly; the body and engine are not too good either.

There have been several members of the Department and Rescue Squad that have taken training at Meadowood Schools last spring and fall.

At this time I would like to thank Swanzey, Fitzwilliam, Winchester and Meadowood for their responses during the past year. To report a fire **CALL 352 - 1100.**

Respectfully submitted,  
*Robert VanBrocklin*, Chief

## FOREST FIRE WARDEN

Due to the fact that we have had a lot of logging operations in the town the past years, it could be very possible that we could have a lot of forest fires if we are not careful.

There is to be no burning of brush or debris unless there is snow on the ground. Permits will not be issued for the kindling of open fires between the hours of 9:00 am and 5:00 pm unless it is raining.

*Robert VanBrocklin*  
Forest Fire Warden

## REPORT OF THE FIRE DEPARTMENT - RESCUE SQUAD

The Richmond Fire Department - Rescue Squad was founded in 1979, with thirteen charter members. Requirements of membership are, Certification in C.P.R., Advanced First Aid and an Ambulance Attendants License.

Our current membership is twelve. We lost several of our members this past year due mainly to changes in their work schedules.

We have five Advanced First Aiders and seven EMTs. Many of our members have gone on and taken training above and beyond the required basics. Three are certified in the use of M.A.S.T. trousers, and two in the use of the E.O.A. One is now in the process of becoming an instructor for advanced first aid. This represents many hours of class time on everyones part.

The Rescue Squad meets on the third Wednesday of every month. Some of the training covered such things as use of Scott Air Packs, Porta-Power Tool and resuscitator. We also had classes on vital signs, splinting, backboards and shock. There was a mass casualty drill at Camp Takodah with proper use of Mettags.

All this training makes us better qualified to serve Richmond.

Protocol with Cheshire Hospital has been established for use of advanced life support.

Last year we responded to twenty calls. To raise funds to suppliment what we receive from the Town budget, we held our annual pie sale, sold hot dogs on Richmond Day, and made our fresh doughnuts and coffee on Town Meeting night. We also received many generous donations.

We wish to thank all of you who helped make our Fund Raisers so successful.

On March 24th and 31st and April 7th, there will be a class for the public on C.P.R. We hope many of you will be able to attend. Please contact *Chris Taylor* 239 - 4005 for further information or to sign up.

If you should have an Emergency, **PLEASE DIAL 352 -1100**. This will insure that you receive the proper services, the quickest way possible.

Respectfully submitted,  
*Doris D'Orio*, Secretary  
*Hank Lescyivski*, Captain

**MEADOWOOD COUNTY AREA FIRE  
DEPARTMENT AND TRAINING CENTER  
Fitzwilliam, N.H.  
1982 - 1983**

**1982 - 1983**

To Our Supporting Members:

1982 was a year when we read every day in the papers and heard every night on T.V., how social service organizations were being threatened with extinction due to federal, state and local budget cuts, staff cuts, salaries being thinned and services being eliminated or curtailed.

1982 for Meadowood was one of our most successful years ever!

We received no federal, state or local budget cuts, because Meadowood has always supported itself. Our staff didn't receive any salary cuts because our dedicated people have always served without pay. We have not been forced to operate with fewer people. In fact, we have a waiting list of people who want to join Meadowood. Our services were not curtailed, they were increased very substantially, and 1983 will see further increases.

An example for the rest of the Country, wouldn't you agree?

You made it possible. You and an outstanding group of men and women who make up Meadowood. We hope you feel a sense of pride in being part of Meadowood; we do, and we thank you sincerely for your support.

Sincerely  
*Charles J. Hanrahan*  
Vice President and Chairman,  
Executive Committee

CJH:dmp

P.S. We invite you to visit Meadowood any Sunday morning from 9 - 12 or come to one of our fire schools in the Spring or Fall. Dates will be in your local paper. See for yourself what you have helped to create.

To the Selectmen and people of Richmond your loyal support over the year has been very much appreciated.

The increased amount this year means more to us than I can express. We are very grateful.

Sincerely,  
*Charlie H.*

## REPORT OF HOME HEALTH CARE AND COMMUNITY SERVICES (HHCCS)

Beginning in January of '82 a new agency, Home Health Care and Community Services opened its doors in Keene. This resulted from an ever increasing need for improved services and the need to save money. Several nursing and home health care agencies in the county pooled their resources and enabled this to happen.

Richmond now purchases a nursing service directly from HHCCS, but is still serviced by the Winchester nurse as in the past. (Winchester District Nurse Association joined the new agency when it began.)

Several towns are currently receiving services in the area of nutrition, transportation, and outreach (identifying individuals such as elderly or handicapped,) as well as in the clinical field. Expansion is anticipated in several areas.

In 1982 from January to September 30, Richmond patients received a total of 54 Homemaker hours, and eight nursing or personal care visits. Also a clinic was held.

*Judith Gilman, Richmond Representative*

## CONSERVATION COMMISSION REPORT

To the Selectmen:

The following is a summary of the activities of the Conservation Commission for the year ending December 31, 1982.

1. The commission had its regular monthly meetings and additional work sessions were also required.
2. The annual grass mowing and brush cutting was performed at the Quaker Cemetery.
3. The town forest selective timber harvest marking is finally complete with a tally of 124,015 board feet. Because of a low demand in the building industry, stumpage prices are down considerably. The commission decided not to solicit logging contract bids until the market value improves, hopefully this summer. After the harvest, there will be a firewood "Cleanup" project and additional cordwood selectively marked.

A statement of our various accounts follows.

Respectfully submitted,

*Harry Bennett, Chairman*

*Stanley Bartram*

## **TOWN OF RICHMOND REPORT OF THE PLANNING BOARD**

The past year has been one of the busiest the Planning Board has experienced in some time. To outline what the Board accomplished and acted upon:

1. Revised and adopted Subdivision Regulations.
2. Wrote and adopted Excavation Regulations and applications.
3. Completed and adopted the Richmond Comprehensive Planning Program. (Commonly known as the Master Plan.)
4. Wrote Amendments to the Zoning Ordinance and held two public hearings on same.
5. The Board approved six (6) subdivisions and two (2) boundary line changes. The subdivisions created twenty-three (23) new lots
6. Acted on the proposed subdivision on the Greenwoods Road.

The Board reviewed the Subdivision Regulations. Found that there were some deficiencies and corrected them.

In 1979 the State adopted RSA 155-E regarding excavations. The RSA makes the Planning Board the regulating body. Until last year no one had acted to set regulations, permit fees, or applications. This has now been corrected.

The Richmond Comprehensive Planning Program has been in the works for a number of years and it is now completed and accepted. The Board would like to thank the Southwest Region Planning Commission for its help and assistance. The real credit and thanks goes out to all of the people who worked on the Citizens Advisory Committee. Thank you for your hard work on a difficult problem.

The Zoning Ordinances were examined and the Board felt that some changes were necessary to comply with State Statutes and as a tool for the Town to work with when making decisions on residential, commercial and industrial growth.

The Board acted on six (6) subdivisions comprising twenty-three (23) lots. At the present time the Board has six (6) new subdivision applications before it. Which total thirty (30) lots.

The Greenwoods Road subdivision, which caused the Town to become involved in a suit, was approved with conditions. Since the approval there has been no action taken to meet the conditions nor has the plan been recorded.

The Board would like to urge more people to get involved in Town affairs and particularly in planning. It is important to understand what is going on in Town and what your regulating bodies have to work with in the way of regulations and ordinances.

This year also saw two Board members resign and at present the Board is trying to find replacements. Until then it will continue to operate with five members and three alternates.

Respectfully submitted,  
*Robert Yantiss*, Chairman  
*Suzanne Whittemore*, Vice Chairman  
*Bruce Treat*, Secretary  
*Stanley Bartram*, Ex Officio

## REPORT OF THE RICHMOND RECREATION COMMITTEE

The Richmond Recreation Committee once again finished with a very successful year.

Our year began with Red Cross certified swimming lessons. Approximately forty-four children of all ages attended.

Day camp held at and in co-operation with Camp Takodah served some Thirty-nine children at this years session. Sports, Arts, Crafts, Games and an overnight are some of the activities offered.

On Labor Day the Recreation Committee arranged entertainment for any person, featuring The Kings Puppeteers with an exciting one hour show. Maggie Konet of Richmond was also available to do face painting.

This years childrens Halloween Party had excellent attendance. Donuts on a string, Pumpkin and Costume judging, bobbing for apples, and a Haunted House were some of the activities. Many townspeople attended and enjoyed an Adult Halloween Party. A versatile Rock Band, Costume judging, and just a good time were the attractions.

The Childrens Christmas Party also had high attendance of about forty-two children. Christmas caroling, trimming a community tree, Santa with candy canes, and gifts for all were the highlights of the day.

To end our year we ran a five week womens exercise class in co-operation with Camp Takodah. The support was overwhelming and we are now running an eight week womens exercise class.

All the members of the Recreation Committee would like to thank all of the organizations, local townspeople, and non-residents for supporting and making our year successful.

Sincere Thanks  
*Kim Doubleday*, Director  
*Sharon Coy*, Secretary - Treasurer

## REPORT OF THE SCHOOL COMMITTEE 1982 - 83

The year 1982 was an interesting one with regard to the Regional School District. This was my first year on the School Committee as your representative from Richmond and it included several exciting and hotly debated issues.

One of the most time consuming and controversial issues involved the proposed enrollment of Marlborough students at Monadnock Regional High School. This proposal was ultimately rejected.

Another big issue involved completion of the groundwork for awarding a contract on the Monadnock High School Roofing Project. Rockwell Roofing of Leominster, Mass. was ultimately chosen as the contractor, and it is intended that the majority of the project will be completed during the Spring and Summer of 1983.

This year the School Committee has implemented a rotating schedule of meetings in the various towns of the district, with the Richmond meeting being held on Feb. 15th. Regular meetings are held at the Wyman House in Swanzy Center.

Richmond enrollment for the 1982 - 1983 School Year is as follows:

Cutler Elementary	52
Monadnock Regional	45
Emerson School	2
<b>Total</b>	<b>97</b>

Richmonds share of the Regional School District budget was determined to be \$240,311.00

It is with pleasure and pride that I have been able to represent Richmond on the Monadnock Regional School Board.

Respectfully submitted,  
*James I. Carnie*  
Monadnock Regional School Board Representative
